

Field Positions

Survey Party Chief

Proactive Engineering Consultants (PROACTIVE) is seeking an experienced Land Surveyor ready to lead a dynamic team in the field. We are seeking a skilled and motivated Survey Party Chief to oversee survey projects and help shape the future of land development throughout Southern California, with a primary focus on Riverside, Orange, San Bernardino, and Los Angeles Counties.

Responsibilities:

- Lead and manage survey crews in the field, ensuring accurate and timely data collection.
- Perform boundary, topographic, construction, and utility surveys.
- Coordinate with project managers, Engineers, and other department staff to ensure project success.
- Review survey data for accuracy and completeness.
- Operate survey equipment, including total stations, GPS, and levels.
- Mentor and train junior survey crew members.

Requirements:

- Minimum of 5 years of experience in land surveying.
- Proven ability to lead and manage survey crews.
- Proficiency in using survey equipment and software (e.g. Trimble Access or similar).
- Strong knowledge of land surveying principles, legal descriptions, and construction staking.
- Excellent communication and organizational skills.
- Ability to work in a variety of outdoor conditions.
- Valid driver's license and a clean driving record.

Company Benefits Include:

- Medical, dental, & vision insurance plans
- Life insurance
- Vacation & Sick time accrual
- 401K program with employer matching
- Annual reviews
- Performance bonuses
- Cross-training potential
